I, _____ owner of _____ am agreeing to host an Elizabeth Area Chamber of Commerce brochure display rack in my place of business. By doing so, I am agreeing to only have approved Elizabeth Area Chamber of Commerce literature in the brochure rack. I realize that I forfeit my rights and the brochure rack will be removed if other non-approved Elizabeth Area Chamber of Commerce literature is found in the display. I also agree that when materials are running low, I will contact a Chamber officer to receive new material. Installation of the display will be done by myself within the approved time frame. If I cannot install the display myself, I will allow a Chamber member to install the display during working hours and under my supervision. I realize and agree that the Elizabeth Area Chamber of Commerce, its officers, and the installer are not responsible or liable for any damage to my business or merchandise during installation or for the life of the display.
