

Elizabeth Area Chamber of Commerce

Tourism Committee

Elizabeth Area Business Owners, Community Groups, and Families,
The Village of Elizabeth Downtown Adopt-a-Pot program has been a big success the last three years. This volunteer led initiative beautifies the Elizabeth Main Street area with plants and flowers throughout the summer and fall! This year's program is going to be the best yet! Please read the following carefully.

How being a Pot Sponsor works:

1. Your business, organization or family fills out attached commitment form and returns it as soon as possible.
2. The cost of \$40 to sponsor a pot on Main Street INCLUDES plants.
3. You will be assigned a spot located next to the light poles on Main Street, a corner or near information kiosk. The pot (with soil and a sign) will then be placed in that location on Friday, May 12th. You **Do Not** plant anything in your pot.
4. Volunteers will be planting all the pots on Saturday, May 13th at 10 a.m.
5. If you would like to help plant, please meet at Three Sisters Sweet Shoppe at 10:00 a.m. on May 13th.
6. As a Pot Sponsor, please help maintain & water your pot through Columbus Day Weekend.
5. To support a beautiful downtown Elizabeth, only the provided live plants and plaque will be allowed in each planter.

Benefits to You:

- Investing in our community and improving the warmth of our village.
- Getting involved on the ground floor of a revitalization project.
- Great advertising for your business or organization (remember your name appears on a plaque in the pot you adopted!)

How to get involved: Since only 17 pots are available, the pots will be awarded to last years participants first, then on a first come first pick basis. To adopt a pot, please email your reservation to Lara Walters at threesisterssweetshoppe@gmail.com before April 25th.

2017 Elizabeth Adopt a Pot Program

By signing below I, _____, hereby agree to weed, water, and care for the planter that I adopted to maintain a warm and welcoming experience in the Elizabeth downtown area. I also agree that if I fail to do so, my pot will be removed by the committee and I forfeit any rights to a refund of my money.

Cost: \$40. Please make checks payable to Elizabeth Area Chamber of Commerce.

Deadline: Commitment form and check due by 4/25/17. Pots will be assigned to last year's participants first. Then on a first come, first serve basis. Planters will be placed on May 12th and planted on May 13th.
